Regulation (EG) Nr. 1907/2006 REACH

Ladies and Gentlemen,

none of the in the REACH-Regulation as particularly worrisome declared mentioned substances is included above mass concentrations of 0.1% in units sold by us.

If in the future SVHC-substances above the mass concentration limit are part of our products, we will declare them accordingly.

Kind regards

FISCHER Mess- und Regeltechnik GmbH

Dirk Wöhler
